Status: 7

Document Type: SPEC

Number of Page: 7

Date: 06/03/2004

Papers were filed 6/3/04. There are three subheadings one states Amendment and two State Specification. The first Specification subheading is the marked up version of the specification, claim, and abstract. The second Specification subheading is the clean copy of the specification, claim, and abstract. The clean versions of the claim (page 6) and abstract (page 7) need to be placed under their own subheadings, Claim and Abstract, respectively. The Claim is on page 6 and the Abstract is on page 7.

Thanks,
Kent Bell
